Friday Morn  
April 10, '92

Good morning Dear Mr.

I left Wall last night. It is just past 9 o'clock & I believe we are on time. Train shakes terribly. — We are in Cleveland now. 10.40. only a little over an hour, and Willoughby will greet me with his sunshiny face, and I shall really be in Oberlin — Since it looks that I shall really kiss you goodnight tomorrow night.

Sil Elsie sends her dearest for me. Please — Your loving Sunshine
